PIXREADY

PIXREADY 3D Visualization Studio - Project Kickoff Checklist

Thank you for considering PIXREADY for your 3D visualization project. This checklist is designed to assist you in creating a clear roadmap for your project, enabling a swift commencement and the most accurate project estimation. We understand that not every client may have all the items on this list readily available, and that's perfectly fine. At PIXREADY, we are well-equipped and experienced to help fill in any gaps and manage your project effectively, even in cases where certain specifics may be missing. Your partnership with us ensures a seamless journey from concept to completion.

☐ **Project Type:**
Interior Visualization
Exterior Visualization
Product Visualization

☐ **Desired Timeframe for Completion:**
Start Date: _____Completion Date: _____

☐ **References or Inspirational Images:**
Images that reflect your vision. This will help us understand your design preferences.

☐ **Additional Inputs by Project Type:**
Any existing design elements, drawings, floorplans, or concepts you have for the project.

☐ For Interior:	☐ For Exterior:	☐ For Product:
Floorplans	Architectural Plans	Product Specifications
Material Specifications	Landscape Design	Technical Drawings (if applicable)
Color Schemes	Outdoor Elements (e.g., pools, gardens)	Preferred Angles or Views
Furniture Preferences	Lighting Requirements	Materials and Textures
Lighting Preferences	Weather and Seasonal Considerations	Product Context or Setting

Please complete this checklist and return it to us at your earliest convenience. Your input is crucial for us to deliver a visualization that matches your vision. If you have any questions or need further assistance, feel free to contact our team. We look forward to working with you!
