Technology Based Roles

Technology	Senior Resource
ASP.NET, MVC, .NET Core	$32
PHP / Laravel / CI	$28
Wordpress / Joomla / Shopify	$28
Native iOS	$32
Native Android	$32
Cross Platform (React Native / Flutter)	$32
MEAN / MERN Stack	$32
Salesforce Developer	$45
Microsoft CRM Dynamics	$45
SharePoint Online / On Premise	$45
Power Platform Developer	$45
Python	$32
JAVA	$32
Manual QA	$25
Automation QA	$32
AWS / Azure Cloud Engineer	$32
DevOps Engineer	$45
Database Administrator	$45
Data Architect	$45
Solutions Architect	$45
BI Developer (PowerBI / Tableau)	$45

Application Development Roles

Position	Responsibilities	Range
Systems Engineer	Design physical solution infrastructure architectures and technical design documents	$32 - $45
Project Manager	Responsible for all aspects of the development and implementation of assigned projects .Takes projects from original concept through final implementation.	$32 - $45
Systems Analyst / Business Analyst	A Systems Analyst documents and analyses Business and IT requirements.	$32 - $45
Database Developer	A database developer designs and maintains software applications related to a database's functionality.	$32 - $45
Database Administrator	Participates in the design, creation, and maintenance of computerized databases. Responsible for the quality control and auditing of database	$32 - $45
Data Analyst / Report Writer	A Data Analyst provides strategic and tactical support to the organization by analyzing and interpreting the data .	$32 - $45
Data Warehouse Analyst	Responsible for the development, maintenance and support of an enterprise data warehouse system and corresponding data marts.	$32 - $45
Business Intelligence Analyst	Designing and developing enterprise wide data analysis and reporting solutions.	$32 - $45
QA Associate / Analyst	Performs and leads tests of software to ensure proper operation and freedom from defects. May create test data for applications.	$32 - $45
Web Developer	Designs, develops, troubleshoots, debugs, and implements software code for a component of the website	$32 - $45
Web Administrator	A Web Administrator is responsible for managing, enhancing and delivering new capabilities to various web applications.	$32 - $45
Web Designer	Designs and builds web pages using a variety of graphics software applications, techniques, and tools.	$32 - $45
E-Commerce Analyst	Analyzing business and user requirements and making recommendations regarding the design and development of web based e-commerce solutions	$32 - $45
Network Engineer	A Network Engineer designs computer networks. Network Engineers work on modeling, planning and analysis using software or hardware solutions.	$32 - $45
CRM Developer	Design, build and deliver applications on leading cloud-based CRM Platforms	$45 - $65
Data Systems Architect	Develops enterprise level application and custom integration solutions including major enhancements and interfaces, functions and features.	$45 - $65

	Provides expertise regarding the integration of applications across the business	
Application Architect	Provides design recommendations based on long-term IT organization strategy. Develops programming and development standards and procedures as well as programming architectures for code reuse	$45 - $65
Client Server Architect	Act as a bridge between application development teams, group domain architects and divisional Enterprise Architect. Build Application Architecture road maps to define how applications will support current and future business processes and volumes.	$45 - $65
Solutions Architect	Explore, Analyze and define solution architecture given the business problem and or system requirements. Develop design specifications and Integration architecture to support the solution.	$45 - $65
Business Intelligence Architect	Responsible for leading the design and support of enterprise business intelligence applications and architecture.	$45 - $65
Data Architect	Responsible for ensuring that the data assets of an organization are supported by a data architecture that aids the organization in achieving its strategic goal.	$45 - $65
